Dear Friends of the SBHS Instrumental Music Program:

January 2009

## We Need Your Help!!!

The Santa Barbara High School Band Boosters is a non-profit organization of volunteer parents who assist the Instrumental Music Program at Santa Barbara High School. Our purpose is to contribute financially to the instrumental music program through joint fundraising efforts with the students, parents and the program staff.

Our Mission is to provide the students with a safe, healthy and supportive environment which allows the students to thrive and further develop their talents outside the classroom, by participating in band competitions and festivals throughout Southern California.

The students who participate in the SBHS instrumental music program are asked to contribute money to offset the travel and other expenses incurred for our students to participate in band competitions and festivals. We provide assistance to our underprivileged students who do not have the financial means to pay their fees. This allows every student the opportunity to participate in our program.

In these hard financial times and looming educational budget cuts we find ourselves in a position where the costs to run this program have far exceeded the funds we are able to raise.

Here's how you can help our program:

1. You can sponsor one or more of our students "in need" by paying their participation fees (\$250 – Guard, Jazz, Drum line \$300 this semester).
2. Make a charitable donation to our program. (Any amount would be helpful).

Respectfully Yours,

Olivia Harrell
